20th anniversary of the European Statistics Code of Practice (ECoP)

11.11.2025

On 6–7 November 2025, the Conference on the occasion of the 20th anniversary of the European Statistics Code of Practice (ECoP) — a common framework with 16 principles guiding the development, production and dissemination of official statistics across Europe — was held at the European Commission headquarters in Brussels.

The Kosovo Agency of Statistics had the honor to participate in this important event, the Executive Director, Avni Kastrati, reconfirming KAS's commitment to the full implementation of the ECoP principles. The meeting, organized by Eurostat, served as a valuable opportunity to exchange experiences, strengthen cooperation and advance the integration of the Kosovo Statistical System into the European Statistical System (ESS).
